Grab Your Partners for Square Dancing Lessons at Auditorium

Anybody for square dancing? Classes for those who would like to learn how will begin Tuesday at the Civic Auditorium, sponsored by the Torrance Recreation Department.

The instructor retained by the Recreation Department for the class will be Gerald F. Reeser, well-known South Bay square dance caller. His wife, Iola, will assist him on class nights.

Reeser has been instructing classes in the Torrance area for the past four years, and was one of the founders and organizers for the square dance club "The Torrance Squares," which meets on two nights of each month at the Gardens Recreation Center.

In addition to his classes in the Torrance area, he has instructed in Inglewood, Lennox, and Beverly Hills. Reeser became an instructor and caller in the Southern California area following his arrival here from Olivet, Kans. in 1937. At present he and his wife are living in Inglewood.

Square dance classes usually run for a period of 30 weeks, according to Reeser, with 10 weeks for beginners, 10 weeks for intermediates, and 10 weeks for advanced square dancing, being allowed. Following this period of thirty weeks, graduates of the advanced class can usually dance with any square dance club or group anywhere. Reeser plans to use the 30-week pattern here in Torrance.

There is a nominal charge for lessons to the public of one dollar per couple per night. This money is used to defray the expenses for the evening, and to help pay the cost of the parties that are planned from time to time.

In addition to the new square dance class the Torrance Recreation Department also sponsors a Square Dance Club, "The Dudes and Dolls," that meets every other Wednesday for an evening of square dancing in the Civic Auditorium. The next dance meeting will be 8 p.m., Wednesday, Dec. 2.

Darrell Brown, another very popular caller in this area, is the regular caller for the club. George F. Border has taken on the management of this club on a volunteer basis for the past several years, and he has been assisted by "Scotty" Little, adult center director.

"Scotty" says that with the new square dance classes and the already existing local clubs for the advanced square dancer, Torrance citizens are offered one of the finest square dance programs in Southern California. He invites everyone to drop by the Civic on either Tuesday or Wednesday night and join in the fun.
